

Project 1 – 2022 NYPD Arrest Dataset

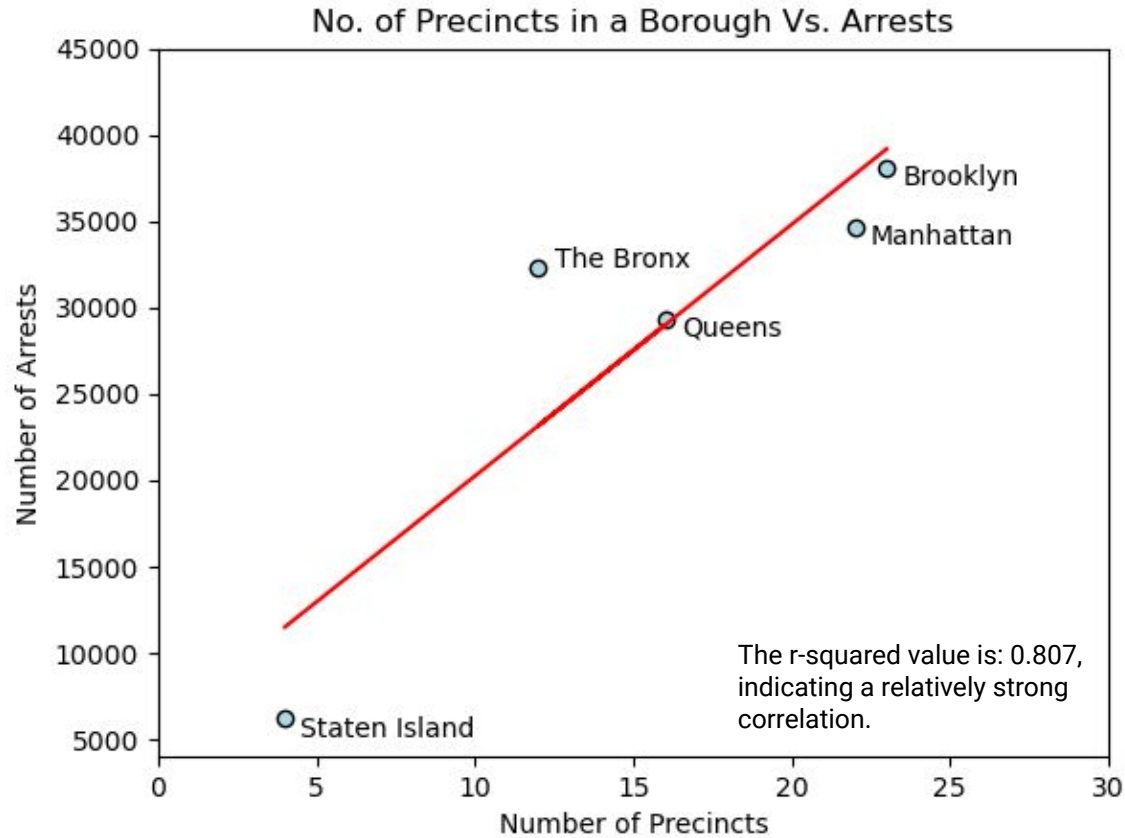

Team Members: Jon Argosino, Hinna
Ahmad, Ose Okpamen, John Francavilla

Which borough requires more law enforcement?

There are more arrests made in Brooklyn compared to the other boroughs in New York City. This indicates that Brooklyn has the most crime activity, but which borough would benefit the most from having more police precincts?

Due to the number of arrests made in The Bronx, this borough would benefit from having more police precincts.
